

IPNK MONTHLY MEETING MINUTES

October 11, 2011

The meeting commenced at approximately 6:05 pm. Mary Kremer read the collect followed by the minutes from last meeting.

If you want to attend the State meeting, there are still reservations available. Please see one of the board members if you need a registration form.

Patty Dress made the motion to have Mary Kremer vote at the State meeting as the representative for our organization.

We have obtained the Lookout Farm for the location of the Christmas Party which will be held on December 13, 2011. It has been decided to just have appetizers. We will be playing Bunko at the Christmas party...fun for everyone.

It was also decided that we will adopt a family this year as our Christmas charity. We will have the information at the November meeting on the family that needs our help. We will also discuss where we will drop off our gifts as we will need to turn them in by the first week in December.

Our guest speaker was Cathy Halloran, breast cancer survivor and founder of Chicks and Chucks. She was a great speaker and inspirational person. Everyone was moved by her stories.

Mary will be sending out corporate sponsor letter and asked that everyone e-mail her the information for any corporate sponsor you would like her to mail a letter to.

Bridge Kubera has our new web site up and running. Please go to www.ipnk.org to take a look. She is also looking for any suggestions you may have on information to add to the website. It is in the beginning stages so we can add as much information as we want. Some suggestions are:

- Add corporate sponsors and spot light one each month
- Add registration forms for State, National and Regional functions
- Have a section for industry changes and updates
- Have member's only sections (password protected) with the information of our members

Meeting was adjourned at approximately 7:25pm
